UVOD

Pojmovi i definicije:

“Javnost” označava: Ostvarivanje aktivnog kontakta građana i predstavnika civilnog društva sa administracijom u svim procesima koji se tiču njih.

“Transparentnost” označava: Obezbeđivanje pristupačne mogućnosti građanima i predstavnicima civilnog društva da steknu saznanje o svemu što se dešava u administraciji (o tome kako ona radi, na osnovu kojih kriterijuma donosi svoje odluke itd.).

Savremeni načini pružanja usluga od strane administracije koji u maksimalnoj meri obezbeđuju javnost i transparentnost su: elektronska uprava, jednošalterski princip rada /"sve na jednom mestu"/, javni forumi i Saveti građana.

Evropski kontekst:

“Uspešna demokratija i dobro upravljanje na svim nivoima neophodni su da bi se sprecili sukobi, promovisala stabilnost, olakšao ekonomski i socijalni napredak i tako stvorile održive zajednice u kojima ljudi žele da žive i rade sada i ubuduće.”

Dobro upravljanje je zahtev koji se postavlja na svim nivoima javne administracije. Na lokalnom nivou ono je od suštinskog značaja zbog toga što je lokalna uprava najbliža građanima i obezbeđuje im neophodne usluge, tako da upravo na tom nivou građani mogu najlakše da sagledaju sopstvenu ulogu u javnim poslovima.

STRATEGIJA SAVETA EVROPE ZA INOVACIJU I DOBRO UPRAVLJANJE NA LOKALNOM NIVOU koja je usvojena u Valensiji u oktobru 2007. g. ima za cilj da se pokrene i stimuliše angažovanje nacionalnih i lokalnih aktera tako da građani u svim evropskim zemljama imaju korist od dobrog demokratskog upravljanja na lokalnom nivou, ostvarenog kroz neprestano unapređivanje kvaliteta javnih usluga na lokalnom nivou, angažovanje stanovništva i primenu politike koja odgovara njihovim legitimnim očekivanjima.

U težnji ka tom cilju, Strategija obuhvata tri pojedinačna cilja: Građani se stavljamaju u središte demokratskih institucija i procesa; Lokalne vlasti stalno poboljšavaju svoje upravljanje u skladu sa 12 principa koji su navedeni u Strategiji; Državne i regionalne

vlasti stvaraju i održavaju institucionalne preduslove za poboljšanje upravljanja na lokalnom nivou, polazeći od svojih postojećih obaveza u skladu sa Evropskom poveljom o lokalnoj samoupravi i drugim standardima Saveta Europe.

Principi dobrog demokratskog upravljanja na lokalnom nivou su:

- 1. Pravedno sprovođenje izbora, zastupanja i učešća**, kako bi se obezbedile prave mogućnosti svim građanima da se izjasne o javnim poslovima na lokalnom nivou;
- 2. Spremnost da se reaguje**, kako bi se obezbedilo da lokalna vlast izlazi u susret legitimnim očekivanjima i potrebama građana;
- 3. Efikasnost i delotvornost**, kako bi se obezbedilo ostvarenje ciljeva uz najbolje korišćenje resursa;
- 4. Otvorenost i transparentnost**, kako bi se javnosti obezbedio pristup informacijama i olakšalo razumevanje načina na koji se vode javni poslovi;
- 5. Vladavina prava**, kako bi se osigurala pravičnost, nepristrasnost i predvidljivost;
- 6. Etičko ponašanje**, kako bi se obezbedilo da javni interes bude iznad privatnog;
- 7. Stručnost i sposobnost**, kako bi se obezbedilo da lokalni predstavnici i zvaničnici budu kompetentni da izvršavaju svoje dužnosti;
- 8. Inovativnost i otvorenost za promene**, kako bi se obezbedilo da iz novih rešenja i dobre prakse proističe korist;
- 9. Održivost i dugoročna orientacija**, kako bi se vodilo računa o interesima budućih pokolenja;
- 10. Dosledno finansijsko upravljanje**, kako bi se obezbedilo promišljeno i efikasno korišćenje javnih sredstava;
- 11. Ljudska prava, kulturna raznovrsnost i socijalna kohezija**, kako bi se obezbedilo da svi građani budu zaštićeni i poštovani i da niko ne bude diskriminisan ili isključen;
- 12. Odgovornost**, kako bi se obezbedilo da lokalni predstavnici i zvaničnici preuzmu odgovornost i da se smatraju odgovornim za svoje postupke.

U sklopu Strategije na evropskom nivou pokrenuta je inicijativa za obeležavanje **Evropske nedelje lokalne demokratije** u nameri da se podigne nivo svesti građana o lokalnoj samoupravi i promoviše njihovo učešće u javnom životu na lokalnom nivou. Ustanovljene su **Evropska plaketa za inovaciju i dobro upravljanje** i **Evropska nagrada za izvrsnost** čijom će se dodelom izdvojiti zaslужne lokalne vlasti širom Evrope. Preporuka je da se na nacionalnom nivou izradi akcioni plan kao izraz opredeljenja da se radi na poboljšanju upravljanja na lokalnom nivou.

Svrha Evropske etikete za inovaciju i dobro upravljanje jeste da pokrene i stimuliše aktivnost kojom bi:

- građani razvili svest o tome da imaju pravo na dobru upravu, spoznaju o kvalitetu njihove lokalne uprave (informacija) i izražavanje svojih očekivanja;
- lokalne vlasti sagledale svoje jake i slabe strane, kao i najefikasniji način za unapređenje upravljanja (evaluacija);
- lokalne vlasti prihvatile da je upoređivanje, kako internu tako i eksterno, moguće i preporučljivo i da inspiraciju mogu da dobiju od svojih nacionalnih i evropskih partnera (učenje od drugih).

Dodelom Nagrade za izvrsnost izdvajaju se najbolje prakse lokalnih vlasti koje uspešno primenjuju 12 principa dobrog demokratskog upravljanja.

I. SUŠTINA I OBRAZLOŽENJE NAGRADE

Nagrada se dodeljuje za uspešnu primenu četvrtog principa „Otvorenost i transparentnost“ sadržanog u Strategiji Saveta Europe za inovaciju i dobro upravljanje na lokalnom nivou, što označava sledeće:

- Odluke se donose i primenjuju u skladu sa pravilima procedure i propisima;
- Sve informacije, osim onih zakonom zaštićenih iz precizno navedenih razloga (npr. zaštita privatnosti ili obezbeđivanje pravičnosti postupaka za javne nabavke) su javno dostupne.
- Informacije o odlukama, sprovođenju politika i rezultati stavljuju se na raspolaganje javnosti tako da joj se omogući da delotvorno prati i doprinosi radu lokalnih vlasti.

1. NAGRADA

Evropski pokret, je ustanovio nagradu u dve kategorije:

- Najtransparentnija lokalna administracija;
- Najbolja praksa partnerstva između lokalne administracije i organizacija civilnog društva za postizanje transparentnosti u radu administracije

Nagrada je godišnja prelazna statua koju je po ideji i narudžbini partnera u projektu izradio poznati bugarski vajar Rajnis Gelov. Nagradna statua simbolizuje dobru volju za promenom u pravcu transparentnosti i otvorenosti u radu administracije, u pravcu

“otvaranja” administracije prema građanima i biznisu. Ona predstavlja jedinstveno autorsko umetničko delo stvoreno specijalno za ciljeve ovog nagradnog takmičenja, sertifikovano kod Agencije «IZA-Art» i ne sme se umnožavati.

Nagradna statua je visoka 50 cm. Izrađena je od bronce na kamenom postolju. Na kamenu su ispisani naziv “Evropski pokret” koji će svake godine dodeljivati nagradu i kategorija u kojoj se ista dodeljuje: «Najtransparentnija lokalna administracija», odnosno «Najbolja praksa partnerstva između lokalne administracije i organizacija civilnog društva za postizanje transparentnosti u radu administracije».

Nagrada će se dodeljivati administracijama koje su proglašene za pobjednike u dve kategorije, a važiće za period od jedne kalendarske godine. Sledeće godine one će statuetu prenijeti novom pobjedniku u odgovarajućoj kategoriji. Ukoliko neka administracija osvoji nagradu u jednoj kategoriji tri puta zaredom, nagradna statua joj trajno ostaje u vlasništvu.

2. OBRAZLOŽENJE CILJEVA

Analize stanja državne i lokalne administracije u Srbiji ukazuju na potrebu poboljšanja primene nekih principa dobrog upravljanja kao što su, na primer, bolja efikasnost i delotvornost, veća transparentnost i dostupnost, bolja koordinacija.

Ova nagrada će podstići primenu principa dobrog upravljanja, a posebno zakonitost rada administracije i optimalno i svrshodno korišćenje resursa za postizanje postavljenih ciljeva. Ovom nagradom će se povećati transparentnost, odgovornost i kontrola nad državnom i lokalnom administracijom od strane civilnog društva.

Cilj nagrade je da identificuje i prikaže širokoj javnosti, nadležnim nacionalnim institucijama i EU dobru praksu iz rada srpske administracije na lokalnom nivou i pozitivni efekat njenog partnerstva sa nevladnim sektorom.

3. OBRAZLOŽENJE PROCEDURE

Jedan od osnovnih aspekata dobrog upravljanja jeste obezbeđivanje transparentnosti i odgovornosti administracije pred korisnicima usluga, pred širokom javnošću i svim zainteresovanim licima. Dobro upravljanje podrazumeva i “okrenutost

prema spolja”, prema društvu. Povećanje transparentnosti i odgovornosti administracije kao aspekata dobrog upravljanja po definiciji prepostavlja uzimanje u obzir mišljenja svih zainteresovanih strana o postojećem nivou transparentnosti i odgovornosti. Angažovanje celokupnog civilnog društva i aktivni spoljašnji monitoring administrativnog poslovanja su među najpouzdanimijim instrumentima za obezbeđivanje efikasne kontrole rada administracije.

U sklopu nagradnog takmičenja pojam „transparentnost” obuhvata sledeća tri aspekta:

- **Dostupnost** – pristup uslugama i informacijama o strukturi, funkcijama i radu administracije;
- **Povratna veza** – povratne informacije od korisnika usluga i učešće građana;
- **Odgovornost** – interna /u okviru same organizacije/ i eksterna /pred korisnicima usluga i lokalnom zajednicom/

II. PRAVILA SPROVOĐENJA PROCEDURE

Ovim Propozicijama za učešće na nagradnom takmičenju utvrđuju se pravila podobnosti, prijavljivanja, ocenjivanja i dodeljivanja nagrade **Evropskog pokreta**.

1. KRITERIJUMI PODOBNOSTI

Kriterijumi podobnosti za učešće na nagradnom takmičenju podeljeni su u tri grupe, a odnose se na:

- Podobnost kandidata;
- Podobnost partnera;
- Podobnost nominovanih praksi.

1.1. PODOBNOST KANDIDATA

Podobni kandidati za učešće na nagradnom takmičenju u obe kategorije su lokalne administracije.

1.2. PODOBNOST PARTNERA

U kategoriji „**Najtransparentnija lokalna administracija**“ partneri nisu podobni za učešće. Svaka lokalna administracija se samostalno prijavljuje.

U kategoriji „*Najbolja praksa partnerstva između lokalne administracije i organizacija civilnog društva za postizanje transparentnosti u radu administracije*“ partnerstvo je obavezan uslov za prijavljivanje. Partneri administracije moraju biti organizacije civilnog društva.

1.3. PODOBNOST AKTIVNOSTI

Prijave moraju biti u skladu sa horizontalnim principima EU (jednakost polova i prevencija diskriminacije, inovacije i sprovođenje politika, partnerstvo i održivi razvoj) i doprinositi postizanju cilja nagrade, a takođe moraju biti usmerene na specifične ciljeve nagradnog takmičenja:

- Povećanje transparentnosti i javnosti administrativnih usluga namenjenih građanima i biznisu – „otvaranje“ administracije prema korisnicima administrativnih usluga;
- Povećanje odgovornosti administracije pred građanima i biznisom;
- Afirmisanje partnerstva između administracije i organizacija civilnog društva radi jačanja građanskog monitoringa i kontrole u cilju prevencije korupcije;
- Unapređivanje organizacije i radnih procesa unutar administracije radi postizanja transparentnosti i javnosti njenog rada;
- Povećanje poverenja društva u javne institucije.

Podstiču se inovativnost, implementacija i promovisanje dobre prakse koja bi se mogla primenjivati i u drugim administracijama. Podobne su aktivnosti koje imaju za cilj nastavak, nadgradnju ili multipliciranje rezultata ostvarenih u okviru drugih finansiranih projektnih aktivnosti.

2. NAČIN PRIJAVLJIVANJA

2.1. OBRAZAC ZA PRIJAVLJIVANJE I PRATEĆI DOKUMENTI

Prijave za učešće na nagradnom takmičenju se podnose na obrascima za prijavljivanje na nagradno takmičenje **Evropskog pokreta** u dve kategorije (Prilog 1 - 2). Prilozi 1 i 2 predviđaju i prateće dokumente koji su navedeni u samim obrascima.

Obrazac za prijavljivanje i prateći dokumenti popunjavaju se i podnose isključivo elektronskim putem.

Obrazac za prijavljivanje se ne sme popunjavati ručno.

Obrazac za prijavljivanje i prateće dokumente ne treba štampati na papiru, potpisivati i overavati.

Na kraju svakog obrasca za prijavljivanje treba navesti osobu za kontakt - ovlašćenog službenika administracije uz kontakt informacije kako bi se obezbedila pouzdana i blagovremena povrata veza od **Evropskog pokreta** u toku nagradnog takmičenja.

Prilikom donošenja odluke o tome da li će se određeni prateći dokument prihvati kao dovoljan dokaz da bi se za odgovarajuće pitanje dodelili bodovi, rukovodeći princip biće mišljenje korisnika usluga. Kada neko pitanje iz obrasca sadrži zahtev za javni pristup određenom dokumentu (na primer registru), nije dovoljno samo poslati taj dokument na elektronsku poštu **Evropskog pokreta** jer se na taj način ne stiče predstava o tome kako on postaje dostupan građanima. U tom slučaju potrebno je ilustrovati mogućnost pristupa dokumentu – na primer, fotografijom oglasne table ili kopijom web sajta na kojem je objavljen dokument itd. Cilj nagradnog takmičenja je da pomogne administracijama koje će se prijaviti da svoj rad pogledaju očima korisnika javnih usluga.

2.2. GDE I KAKO DOSTAVITI PRIJAVE

Prijave se dostavljaju na elektronsku adresu: info@epus.org i na EVROPSKI POKRET, Josifa Pančića 22. 18 000 Niš ukoliko se dostavljaju na elektronskom nosaču.

Prijave se prihvataju isključivo u elektronskom obliku iz nekoliko razloga i to:

- Podrška i promovisanje elektronske uprave;
- Briga za očuvanje prirode;

Prijave za najbolju praksu partnerstva između lokalne administracije i organizacija civilnog društva za postizanje transparentnosti u radu administracije biće objavljene na sajtu **Evropskog pokreta** www.epus.org, a građani će glasanjem odrediti pobednika.

Da bi se olakšala obrada prijava u kategoriji „Najtransparentnija lokalna administracija”, potrebno je da svaki prateći dokument bude obeležen na način koji će jasno ukazivati na koje se pitanje iz odgovarajućeg obrasca odnosi. Na primer, to se može postići ako se u nazivu fajla koji sadrži prateći dokument navede broj pitanja

na koje se dotični dokument odnosi ili ako se u obrascu za prijavljivanje doda rubrika koja će sadržati nazive fajlova sa pratećim dokumentima uz svako pitanje.

2.3. ROK ZA DOSTAVLJANE I OCENU PRIJAVA

Prijave za učešće na nagradnom takmičenju **Evropskog pokreta** u kategoriji za «**Najtransparentnija lokalna administracija**» primaju se od **20. februara do 10. aprila**.

Prijave u kategoriji **“Najtransparentnija lokalna administracija”** ocenjuće komisija koja će se imenovati svake godine odlukom predsednika/ce **Evropskog pokreta**. Ocenjivanje će se vršiti od 11. aprila do 30. aprila prema metodologiji iz t. 3.1. ovih Propozicija.

Prijave za učešće na nagradnom takmičenju **Evropskog pokreta** u kategoriji za **“Najbolja praksa partnerstva između lokalne administracije i organizacija civilnog društva za postizanje transparentnosti u radu administracije”** primaju se od **20. februara do 31.marta**.

Po završetku prijavljivanja u periodu od **11.aprila do 30.aprila** komisija, izrađuje i dostavlja izveštaj predsedniku/ci **Evropskog pokreta** sa predlogom za rangiranje kandidata poređanih u silaznom redosledu, prema broju osvojenih glasova.

Prijave u kategoriji **“Najbolja praksa partnerstva između lokalne administracije i organizacija civilnog društva za postizanje transparentnosti u radu administracije”** ocenjuće građani putem onlajn glasanja na sajtu **Evropskog pokreta**. Glasanje se sprovodi u periodu od **1. aprila do 30. aprila**, s tim što svaki građanin sa važećom e-mail adresom može da glasa za bilo koji kandidovani predlog, ali sa odgovarajuće e-mail adrese ima pravo samo na jedan glas za jednu prijavu u određenoj kategoriji.

Nagrada će se uručivati svake godine na specijalnoj ceremoniji u maju mesecu.

2.4. DODATNE INFORMACIJE I ČESTO POSTAVLJANA PITANJA

Pitanja se mogu poslati u svako vreme kancelariji **Evropskog pokreta**.

Pitanja i odgovori biće objavljeni na sajtu **Evropskog pokreta**.

U procesu obrade pristiglih prijava najčešće postavljana pitanja i odgovori na njih će se takođe objavljivati na sajtu **Evropskog pokreta**.

Svim administracijama koje nameravaju da se prijave, preporučujemo da u procesu pripreme obrasca za prijavljivanje pregledaju već objavljena pitanja i odgovore.

3. OCENJIVANJE PRIJAVA

Kandidate koji su se prijavili za učešće na nagradnom takmičenju **Evropskog pokreta** ocenjuće komisija koja će se imenovati svake godine odlukom predsednika/ce **Evropskog pokreta**.

Ocenjivanje se vrši u tri etape i to:

- ocena urednosti prijava;
- ocena podobnosti;
- ocena kvaliteta.

3.1. OCENA UREDNOSTI PRIJAVA

Ocena urednosti prijava odnosi se na zadovoljavanje formalnih kriterijuma u pogledu prijava kao što su:

- oblik i potpunost prijava – saglasno odeljku II, t. 2.1;
- način podnošenja prijava – saglasno odeljku II, t. 2.2;
- rok za dostavljanje prijava – saglasno odeljku II, t. 2.3.

Zadovoljavanje svakog kriterijuma komisija ocenjuje sa "da", odnosno "ne".

U slučaju neurednosti prijave odgovarajuća administracija će o tome biti obaveštena, a od osobe za kontakt može biti zatraženo dostavljanje dodatnih informacija ili pratećih dokumenata.

3.2. OCENA PODOBNOSTI

Prilikom ocene podobnosti primenjuju se kriterijumi podobnosti iz odeljka II, t.1 ovih Propozicija za učešće na nagradnom takmičenju. Zadovoljavanje svakog kriterijuma komisija ocenjuje sa "da", odnosno "ne".

3.3. OCENA KVALITETA

Ocena kvaliteta se vrši na različite načine kod obe kategorije:

- Najtransparentnija lokalna administracija;
- Najbolja praksa partnerstva između lokalne administracije i organizacija civilnog društva za postizanje transparentnosti u radu administracije.

3.3.1. OCENA KVALITETA U KATEGORIJI "NAJTRANSPARENTNIJA LOKALNA ADMINISTRACIJA"

Ocenu kvaliteta u ovoj kategoriji daje komisija imenovana odlukom predsednika/ce **Evropskog pokreta** prema sledećoj metodologiji:

Obrazac za prijavljivanje na nagradno takmičenje u ovoj kategoriji sadrži 17 pitanja sa dva moguća odgovora - „DA“ i „NE“, kao i jedno dodatno pitanje koje je formulisano tako da pruža mogućnost davanja slobodnog odgovora.

- Svaki odgovor „NE“ na bilo koje pitanje od 1. do 17. donosi 0 bodova;
- Broj bodova koje donosi odgovor „DA“ na neko pitanje naveden je u rubrici „Prateći dokumenti i pomoćna pitanja“ obrasca za prijavljivanje (Prilozi 1 i 2).
- Za svaku prispuju prijavu komisija će izvršiti ocenu funkcionalnosti internet stranice administracije prema metodologiji koja je specijalno razrađena u tu svrhu. Dobijena ocena pomnožena sa koeficijentom 0,25 sabraće se sa zbirom bodova osvojenih za ostala pitanja u obrascu. Ocena internet stranice donosi od 1 do 10 bodova.
- Ocena određene prijave utvrđuje se na osnovu ukupnog zbiru bodova.
Važno: *Pitanje na koje je odgovoreno sa „DA“ ali uz njega nije dostavljen prateći dokument, dobija 0 bodova.*

Po završetku svog rada komisija izrađuje izveštaj i dostavlja ga predsedniku/ci **Evropskog pokreta** sa predlogom za rangiranje kandidata poređanih u silaznom redosledu, prema broju osvojenih bodova.

Ocenu kvaliteta u ovoj kategoriji daju građani putem onlajn glasanja na sajtu **Evropskog pokreta**.

Glasanje se sprovodi u periodu od **1. aprila do 30. aprila**, s tim što svaki građanin sa važećom e-mail adresom može da glasa za bilo koji kandidovani predlog, ali sa odgovarajuće e-mail adrese ima pravo samo na jedan glas za jednu prijavu u određenoj kategoriji.

Prijave će biti dostupne na sajtu **Evropskog pokreta** tokom cele godine odmah nakon što komisija da pozitivnu ocenu urednosti i podobnosti, a sve u cilju stalnog promovisanja dobre prakse.

Po završetku glasanja u periodu od **3. dana** komisija a na osnovu specijalno izrađenog programa za potrebe ovog nagradnog konkursa, izrađuje i dostavlja izveštaj predsedniku/ci **Evropskog pokreta** sa predlogom za rangiranje kandidata poređanih u silaznom redosledu, prema broju osvojenih glasova.

2.3. TERM FOR SUBMISSION AND ASSESSMENT OF THE APPLICATIONS

In order to facilitate the processing of applications in category “Most transparent local administration”, every supporting document must be marked in such a way, as to provide clarity on which question from the respective form it refers to. This can be achieved for example by including the number of the question in the name of the file containing the supporting document for this question, or by adding a line in the application form containing the names of the files with supporting documents for each question.

The applications for best practice for partnership between a local administration and the organizations of the civil society for implementation of transparency in and the organizations of the administration will be published on the website of “European Movement”, www.epus.org and the citizens will determine the winners by voting.

- Support and encouragement of the electronic government;
 - Care for preservation of the environment;
- The applications shall be accepted only electronically due to the following reasons:

The applications shall be sent to e-mail info@epus.org and to the following address – EUROPEAN MOVEMENT, JOSIFA PANČIĆA 22, 18 000 NIS, recorded on an electronic data carrier.

When taking a decision whether a certain supporting document can be accepted as sufficient proof, in order to give points for the respective question, the leading principle is the point of view of the consumer. When a question from the form contains a requirement for public access to a specific document (for example a register), it is not sufficient to only send this document to the e-mail address registered, it is also necessary to illustrate the possibility for access to the document – for example with a photograph of a board or a copy from the website, to the citizens. It is also necessary to show how it can be accessible to the consumers of “European Movement”, since this does not show how it can be accessible to helping administrative institutions to see their activity through the eyes of the users of public services.

An obligatory condition is to indicate an employee of the administration for contact with contact data at the end of each form, in order to provide reliable and timely feedback from “European Movement” in the course of the competition.

The applications must be in compliance with the horizontal principles of the EU (equality between sexes and prevention of discrimination, innovation and application of policies, partnership and sustainable development) and contribute to the achievement of the established objective of the award, directed to the specific goals of the competition, namely:

2.3. ELIGIBILITY OF THE ACTIVITIES

In the category „**Best practice for partnership between a local administration and the organization of civil society for implementation of transparency and the actions of the administration**”, partners must be organizations of the local application. The partners of the administration, partnership is an obligatory condition for application. Every public administration applies on its own.

In the category „**Most transparent public administration**”, partners are not eligible. Every public administration applies on its own.

1.2. ELIGIBILITY OF THE PARTNERS

Eligible applicants for the two categories are the public administrations.

1.2.1. ELIGIBILITY OF THE APPLICANTS

- Eligibility of the nominated practices.
- Eligibility of the partners;
- Eligibility of the applicants;

The eligible criteria for application for the award are divided into three groups and refer to:

1. ELIGIBILITY CRITERIA

This Regulation established the rules of eligibility, application, assessment and presentation of the award of „**European Movement**“.

II. RULES OF IMPLEMENTATION OF THE PRESENT PROCEDURE

- **Accessibility** – access to services and information on the structure, functions and activities of the administration;
 - **Accountability** – internal for the organization and external to the consumers of services and the local community.
- Within the competition the term „transparency“ covers the following three dimensions:

aspects of good governance by definition presumes the consideration of and conformatity with the opinion of all interested parties with regard to the existing level of transparency and accountability. The commitment of the civil society and the active external monitoring of the administrative activity are some of the most reliable instruments to ensure effective control over the work of the administration.

One of the main aspects of good governance is to ensure the transparency and accountability of the administration to the consumers of services, to the broad public and to all people interested in the administrative activity. The meaning of good governance contains an "outward" direction, towards the society.

3. BASIS OF THE PRESENT PROCEDURE

The purpose of the award is to identify and present to the broad public, to the responsible national institutions and the EU the good practices from the Serbian administration at local level and the positive effect of its partnership with the non-governmental sector.

This award will stimulate the application of the principles of good governance and particularly the legibility of the actions of the administration and the optimality of its award utilization of resources for achievement of the set goals. This award will increase the transparency, accountability and control of the national and local administration on behalf of the civil society.

The advantages of the state of the Serbian national and local administration mark the need for improvement of the application of some of the principles of good governance, for example better effectiveness and efficiency, more transparency and accessibility, better coordination.

2. BASIS OF THE OBJECTIVES

The administrative categories, winners in both categories, will be holders of the award for a term of one calendar year and will pass the statuette to the next winner in the given category for three years in a row, the statuette will remain in its possession forever.

The statue is 50 cm high. It is made of bronze. It depicts a monolithic stone pedestal. The stone has an inscription of the name of the Serbian partner "European movement", which will give the award annually, and the category "Most transparent public administration" or "Best practice for partnership between local administration and the organizations of civil society".

The statue symbolizes the goodwill for a change towards transparency and openness in the actions of the administration, an "opening" of the administration towards the citizens and the business. It is a unique author's piece of art, created especially for this purpose and certified by "IZA-Art", which cannot be reproduced.

The project „Publicity Transparency and Partnership - a Basis for Social and Regional Development”, subsidy contract under IPA No IP-02-29-2028/28/07/11 has been implemented with the assistance of the Bulgarian-Serbian Cross-Borders Programme CCI No 2007CB16IP0006. The European Union or the Managing Authority of the Programme bears responsibility for the sole responsibility of the contents of this project and the views expressed in it do not necessarily reflect the views of the European Union or the Managing Authority of the Programme.

The award is an annual passing statuette made by the famous Bulgarian sculptor Raynis Gelev based on the idea and assignment of the partners on the project.

THE STRATEGY FOR INNOVATION AND GOOD GOVERNANCE AT LOCAL LEVEL OF THE COUNCIL OF EUROPE adopted in Valencia in October, 2007 aims at mobilizing and stimulating actions on behalf of the interested parties on a national and local level, so that the citizens of all European countries can utilize the good democratic local governance through constant improvement of the quality of local public services, engagement of the population in the public life and pursuit of policies corresponding to the legally founded expectations of the people. In pursuit of this objective the Strategy established three immediate goals:

The citizens shall be placed in the center of all democratic institutions and the local authorities shall improve their governance constantly, in accordance with the 12 Principles indicated in the Strategy;

The countries and the regional authorities shall establish and endorse international principles and the regulations adopted in the Strategy;

Good governance is an essential requirement for the activity at all levels of public administration. At a local level it is of fundamental significance, because the local government is closest to the citizens and provides the basic services for their life. It is at that level exactly, where the citizens can clearly feel their affiliation to the underpinning of actions in favor of the society as a whole.

"Effective democracy and good governance at all levels are of vital significance to the prevention of conflicts, the strengthening of stability and the support of the economic and social progress, and therefore to the establishment of sustainable communities, where people want to live and work, now and in the future".

European context:

The modern methods for provision of services by the administration, which ensure maximum publicity and transparency, are: the electronic government, the principle of operation from a single desk, the public forums and councils.

Transparency means: Provision of an accessible opportunity for the public to understand what is happening in the administration (how it operates, based on what criteria it takes decisions, etc.).

Publicity means: Realization of active contact of the public (citizens and representatives of the local community) with the administration in all processes concerning this community.
